

Guillem HURAUULT | Data Scientist

London SE1 – UK

☎ +44 (0)7729 283639 • ✉ guillem.hurault@hotmail.fr • 📧 ghurault.github.io • 🌐 ghurault • 🌐 ghurault

🇫🇷 French • UK Settled Status

Data Scientist with a **PhD in Statistical Machine Learning**. Deep expertise in **Bayesian modelling** and **time-series forecasting**. Research and industry experience in healthcare and sports analytics.

Professional Experience

Sept. 2022 – **Data Scientist**, *Pythia Sports*, London, UK

- Today
 - Developed and conducted statistical analyses for a sports betting pipeline: e.g. time-series forecasting of betting odds, Bayesian modelling of race outcomes, 2D markerless pose estimation of horses from videos (DeepLabCut).
 - Managed and maintained the model for a complete betting market.
 - Maintained, refactored and wrote technical documentation for our internal Python modelling packages.

Oct. 2017 – *Imperial College London (Department of Bioengineering)*, UK

Sept. 2022 **Research Associate (Jun. 2022 - Sept. 2022)**

Research Assistant (Oct. 2017 - May 2022)

- Pioneered research on eczema for 1) detecting and assessing eczema in camera images using CNN, 2) predicting the evolution of eczema severity, 3) generating personalised treatment recommendations.
- Analysed real-world and clinical trial patient data with state-of-the-art Bayesian models for time-series forecasting.
- Published 10+ scientific articles to clinical and machine learning audiences. Presented work at international conferences. Reviewed several research papers.
- Developed software packages (EczemaPred, HuraultMisc) and high-quality analysis code following agile and reproducible research practices (version control, documentation, testing, continuous integration).
- Supervised 25+ student projects on topics like statistical modelling, computer vision, clustering, Gaussian Processes.

2019 – 2021 **Teaching Assistant**, *Imperial College London (Department of Bioengineering)*, UK, part-time

- Probability & Statistics • Mathematics • Occasional teaching in Machine Learning and Brain Machine Interfaces.

May 2016 **Research Intern**, *Laboratoire de Neurosciences Cognitives (CNRS UMR 7291)*, Aix-Marseille Université, France

–July 2016 Analysed fMRI images using Machine Learning to understand the role of the oculomotor cortex in social perception.

Education

2018–2022 **PhD in Statistical Machine Learning**, *Imperial College London (Department of Bioengineering)*, UK
Thesis: Towards a data-driven personalised management of Atopic Dermatitis severity. Supervisor: Prof. Tanaka.

2016–2017 **MSc in Biomedical Engineering, Neurotechnology**, *Imperial College London*, UK, Distinction

2014–2018 **Master's Degree in Engineering**, *Ecole Centrale de Lyon*, one of France's top engineering schools

2014–2016 **Bachelor's Degree in Economics**, *Université Lyon 2*, France

Skills

Languages • Native **French** • Fluent **English** • Conversational Portuguese

Data Science • Machine Learning • Statistics • Bayesian modelling • Time-series forecasting • Uncertainty quantification
• Visualisation • Missing values • Regularisation • Decision-making • Clustering • Causality

Programming **Working knowledge:** •  R (incl. tidyverse, package development, Shiny) •  Python (incl. pandas, numpy, scikit-learn) •  Stan •  LaTeX • RegEx • Git/GitHub • SQL

Basic knowledge: •  MATLAB • C# (incl. Infer.NET) • Docker • HTML • Tableau

Other Experiences

2019 – 2021 **Bioengineering PhD representative**, *Imperial College London*

Represented 200+ PhD researchers in departmental meetings, organised social and professional events.

2014-2017 **Engineering student**

- Investigated the evolution of eczema using Machine Learning methods in the Biological Control Systems Lab.
- Designed a genetic algorithm in a research project with LIRIS Lab (CNRS) to solve a scheduling problem.
- Supervised a 6-person team for HEXADRONE to design and test a security system to avoid the crash of a drone.

2015 **General Secretary**, *Forum Perspectives*

Organized a yearly career fair with 100 companies, 2000 students participating and a turnover of 250k€.

2015 **Treasurer, Communication coordinator and Editor** of Centrale Lyon's newspaper Piston Hebdo.

2015 Active committee member of Centrale Lyon's Cinema Society.
